

AN AMAZING TREE

Autor: Remigiusz Woźniak

On the 3rd April 2012 the next art contest titled "An amazing tree" was settled. The action was carried out within the framework of the 4th Day of the Comenius Project. The students were working on this contest for 2 weeks and this reaped measurable benefits. 4 works of our students, with the most interesting trees, were rewarded. The authors' names are as follows Kuba Słomski, Krzysztof Rutkowski, Sebastian Szkolak and Jakub Dziura. They used foil, matches, paper and many other secondary materials to their works. Half spatial forms create an excellent decoration and will be emphasized in Socio-Therapy Center for Maladjusted Youths. You are all very welcome to visit our Photo Gallery
