Autor: B. Dąbrowska, K. Pajęczkowska

Association ANEW for the benefit of students in Socio Therapy Centre for Maladjusted Youths in Ostrowiec św. announced a competition for the association's logo. A lot of students expressed their desire of taking part in the competition.

On 25th January 2012 art classes within the framework of Grundtvig project – 'Volunteer's Passport' took place. Those classes were coordinated by the housemasters Bożena Dąbrowska and Michał Kwiatkowski. The students of our centre participated together with their parents or legal guardians. For a few hours, in one of the community centres of boarding school, participants worked intensively on the association's logo. The students and their parents or legal guardians were very ingenious and they had different work techniques. Despite the fact that rivalry was present during competition, the atmosphere of creative meeting was very pleasant and friendly. Now we have to wait for the results which will be announced soon on our website. UPDATE On 7th February 2012 the jury: Zdzisław Klusek (headmaster of Socio Therapy Centre for Maladjusted Youths), Krystyna Szczygieł (deputy manager of Socio Therapy Centre for Maladjusted Youths), Edyta Bielka and Honorata Krawczyk (management of Association ANEW) announced the results of the competition. The best work belonged to Mateusz Borowiecki. Translated by Katarzyna Pajęczkowska
