

## Leaflet about institutions participating in PARCOP project

Autor: Zdzisław Klusek

Socio - Teraphy Center for Maladjusted Youths for children with bad behavior and learning problems) in Ostrowiec Świętokrzyski (Poland) provide education for this children. Socio - Teraphy Center for Maladjusted Youth has 72 pupils, works with them 12 educators, tutors in boarding school and 14 teachers in Primary School, Gimnasium - in one building. We work out projects for disadvantaged groups, countering underachievement at school and preventing exclusion.

Particular attention is given to addressing the needs of person with ADHD. We develop and test together methods and approaches in such areas as prevention of conflicts and violence in our school, flexible and personalized teaching methods. Socio - Teraphy Center for Maladjusted Youths places particular emphasis on the key role of the school education in preparing young people for adult life in a rapidly changing world. We have 12 computers and internet. We are responsible for providing knowledge and skills for pupils from socio-economic disadvantaged background, helping them to develop learning strategies. We train pupils to behave in a way that is acceptable in the society. Promoting equal opportunities and combating all forms of exclusion are important objectives of Socio - Teraphy Center for Maladjusted Youths. Age of pupils: 12-18 years old.

School type : Teraphy Center for Maladjusted Youths with a large number of pupils from pathological families and orphanages; threatened by social exclusion and poorly educated.
